

Yeast Pet Food

Natural nutrients for cats and dogs

ANGEL YEAST CO., LTD.

Fubon Animal Nutrition Division

About Angel Yeast

Angel Yeast Co., Ltd, founded in 1986, is a listed high-tech yeast company in China, which is specialized in the production of yeast and yeast derivatives. Angel Yeast has 10 international advanced production bases in China, Egypt and Russia. Angel has set up 12 technical centers, with more than 100 technical engineers providing specialized technical support for the global market. Angel provides products and services for more than 140 countries and regions globally.

What is Fubon

Fubon is an animal nutrition brand of Angel Yeast. Fubon's products are feed additives and feedstuffs manufactured by yeast, which will enhance immunity, promote growth, and improve animal products' quality.

We believe scientific innovation in YEAST will help

- animals be more healthier.
- feed be more nutritious.
- environment be protected.
- the world achieve a higher quality of life.

GroPro Pet

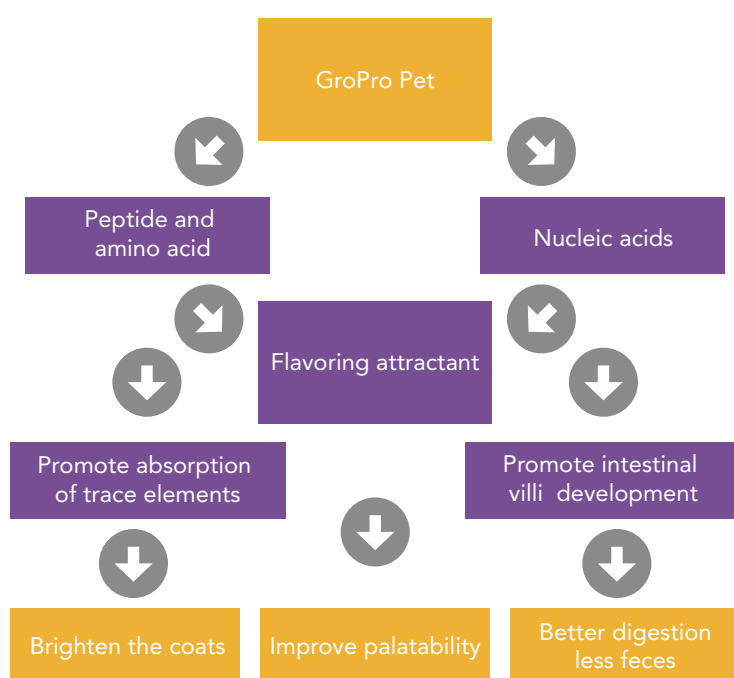

- ★ Improves palatability
- ★ Keeps a healthy skin and coat

Efficacy

Palatability: Strengthens the attractive effect and enhance palatability of pets' food ;

Digestion: Promotes growth and intestine development by functional nutrients.

Coats: Promotes the absorption of trace elements thus brighten the coats.

Usage

	Anticipated Performance	Dosage
Cat, Dog	<ul style="list-style-type: none"> -Rich in flavoring attractants , which would enhance palatability of pets' food ; -Promotes growth and development of young pets by improving digestion; -Promotes the absorption of trace elements thus brighten the coats. 	1-5%

Storage and Packaging

Store in a cool and dry place.

Packaging: 25KG paper bag with polyethylene liner.

Shelf life: 24 months from production date when stored in its original packaging.

Yeast Cell Wall

★ Natural and efficient immune enhancer

Efficacy

- Adsorption of pathogenic bacteria to improve intestinal health, improve fecal molding and odor problems, reduce diarrhea;
- Raise the level of immunoglobulin and improve immunity, help safely surviving the period of insufficient immunity;
- Adsorb various mycotoxins, especially for zearalenone.

Composition

MOS≥20%, and β-glucan≥20%.

Usage

	Anticipated Performance	Dosage
Cat, Dog	<ul style="list-style-type: none"> -Adsorption of pathogenic bacteria to improve intestinal health, increase the intestine probiotics activity and amount, improve fecal molding and odor problems, reduce diarrhea; -Raise the level of immunoglobulin and improve immunity, help safely surviving the period of insufficient immunity; -Absorb mycotoxins, reduce the toxic effects of mycotoxins on the body (anorexia, malaise, unstable gait, infertility, miscarriage, dystocia) 	0.2-0.5%

Storage and Packaging

Store in a cool and dry place.

Packaging: 25KG paper bag with polyethylene liner.

Shelf life: 24 months from production date when stored in its original packaging.

Selenium Yeast

★ High efficient organic selenium

Efficacy

- Improves reproductive performance.
- Improves resistance to oxidative stress when ageing.
- Reduces anorexia, lethargy, muscle degeneration caused by selenium deficiency.

Composition

Total selenium \geq 2000mg/kg , organic selenium $>$ 98%.

Usage

	Anticipated Performance	Dosage
Cat, Dog	<ul style="list-style-type: none"> -Improves pets' reproductive performance. -Improves resistance to oxidative stress while aging -Reduces anorexia, lethargy, muscle degeneration caused by selenium deficiency . 	250 g/t in compound feed
		If the basal diet contains 0.1-0.3ppm sodium selenite, the recommended dosage is 100 g/t in compound feed.

Storage and Packaging

Store in a cool and dry place.

Packaging: 25KG paper bag with polyethylene liner.

Shelf life: 24 months from production date when stored in its original packaging.

Brewer's Yeast

- ★ Special yeast flavor
- ★ Improves growth performance

Efficacy

- Provides high-quality single cell protein, amino acid balance and is easy for digestion and absorption.
- Improves palatability and enhance flavor.

Composition

Crude protein \geq 42.0%; Ash \leq 10.0%; Moisture \leq 8.0%

Usage

	Anticipated Performance	Dosage
Cat, Dog	<ul style="list-style-type: none">- Provides high-quality protein, improves digestion.- Improves palatability and enhance flavor.	1-5%

Storage and Packaging

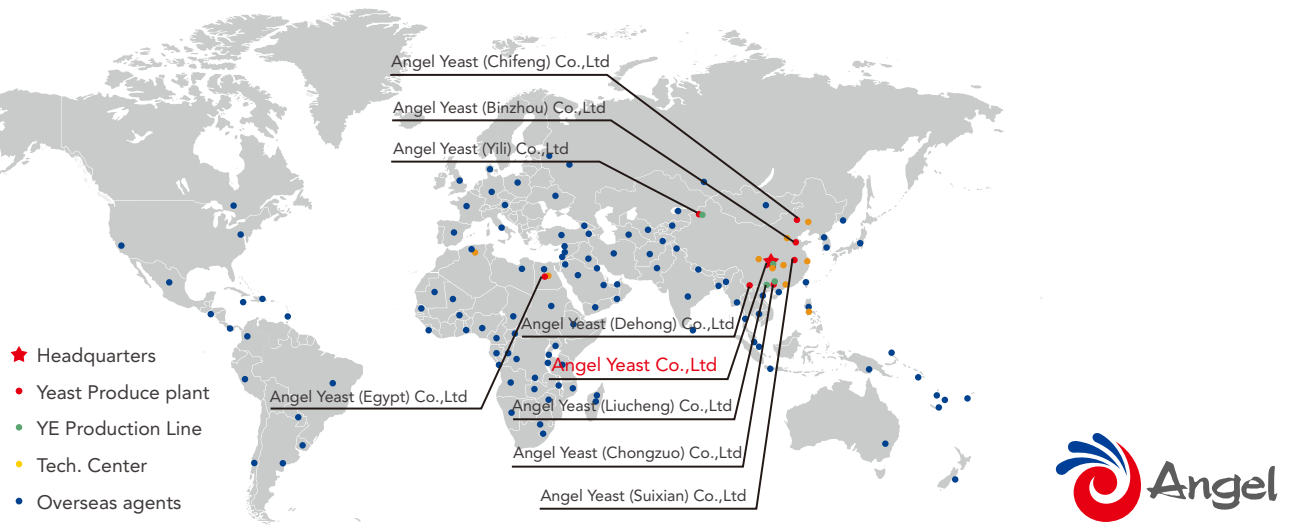

Store in a cool and dry place.

Packaging: 25KG paper bag with polyethylene liner.

Shelf life: 24 months from production date when stored in its original packaging.

World top 3 yeast manufacturer

THE NATURAL WAY TO BETTER HEALTH

We manufacture natural, safe and nutritional biological feed additives for the global market. It helps to balance intestinal microflora, enhance immune system and improve digestibility and adsorbability.

ANGEL YEAST CO.LTD is an international and special yeast producer. For more information please visit our website:<http://en.angelyeast.com>.
