

YEAST PET FOOD

Natural nutrients for **cats** and **dogs**

ANGEL YEAST CO., LTD.

FUBON ANIMAL NUTRITION DIVISION

About Angel Yeast

Angel Yeast was founded in 1986, it originated from the China National Yeast Research Center. Angel Yeast Co., Ltd was listed on the Shanghai Stock Exchange in 2000. As one of the leading companies in the worldwide yeast industry, we are committed to the mission of developing yeast biotechnology and innovate for healthy life. Our business activities range from baking to food taste, nutrition & health, and biotechnologies. Our products are available in more than 155 countries and regions.

What is Fubon

Fubon is a brand of Angel Animal Nutrition. Fubon is committed to developing natural, efficient microbial feed derived from yeast with Angel's leading technology in yeast industry, providing the best service solutions for the nutrition and health in animals. Angel Animal Nutrition creates value for global feed and animal agriculture customers through continuously upgraded products and professional services.

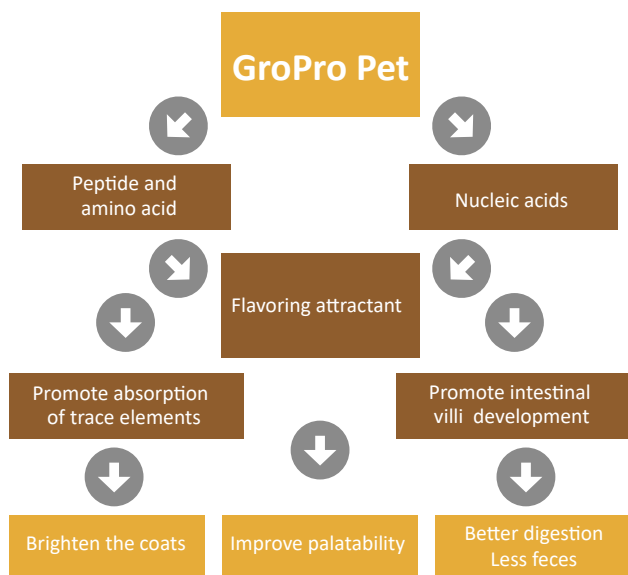

- Improves palatability
- Keeps a healthy skin and coat

Efficacy

- Palatability: Strengthens the attractive effect and enhance palatability of pets' food.
- Digestion: Promotes growth and intestine development by functional nutrients.
- Coats: Promotes the absorption of trace elements thus brighten the coats.

Usage

	Anticipated Performance	Dosage
	<ul style="list-style-type: none"> -Rich in flavoring attractants , which would enhance palatability of pets' food. -Promotes growth and development of young pets by improving digestion. -Promotes the absorption of trace elements thus brighten the coats. 	1-5%

Storage and Packaging

Store in a cool and dry place.
 Packaging: 25KG paper bag with polyethylene liner.
 Shelf life: 24 months from production date when stored in its original packaging.

YEAST CELL WALL

Natural and efficient immune enhancer

Efficacy

- Adsorption of pathogenic bacteria to improve intestinal health, improve fecal molding and odor problems, reduce diarrhea.
- Raise the level of immunoglobulin and improve immunity, help safely surviving the period of insufficient immunity.
- Adsorb various mycotoxins, especially for zearalenone.

Composition

MOS \geq 20%, and β -glucan \geq 20%.

YEAST CELL WALL

Usage

	Anticipated Performance	Dosage
Cat, Dog	<ul style="list-style-type: none">-Adsorption of pathogenic bacteria to improve intestinal health, increase the intestine probiotics activity and amount, improve fecal molding and odor problems, reduce diarrhea.-Raise the level of immunoglobulin and improve immunity, help safely surviving the period of insufficient immunity.-Absorb mycotoxins, reduce the toxic effects of mycotoxins on the body (anorexia, malaise, unstable gait, infertility, miscarriage, dystocia).	0.2-0.5%

Storage and Packaging

Store in a cool and dry place.

Packaging: 25KG paper bag with polyethylene liner.

Shelf life: 24 months from production date when stored in its original packaging.

SELENIUM YEAST

High efficient organic selenium

Efficacy

- Improves reproductive performance.
- Improves resistance to oxidative stress when ageing.
- Reduces anorexia, lethargy, muscle degeneration caused by selenium deficiency.

Composition

Total selenium $\geq 2000\text{mg/kg}$, organic selenium $> 98\%$.

Usage

	Anticipated Performance	Dosage
	-Improves pets' reproductive performance.	250 g/t in compound feed
	-Improves resistance to oxidative stress while aging. -Reduces anorexia, lethargy, muscle degeneration caused by selenium deficiency .	If the basal diet contains 0.1-0.3ppm sodium selenite, the recommended dosage is 100 g/t in compound feed.

Storage and Packaging

Store in a cool and dry place.

Packaging: 25KG paper bag with polyethylene liner.

Shelf life: 24 months from production date when stored in its original packaging.

SELENIUM YEAST

BREWER'S YEAST

Special yeast flavor

- Improves growth performance

Efficacy

- Provides high-quality single cell protein, amino acid balance and is easy for digestion and absorption.
- Improves palatability and enhance flavor.

Composition

Crude protein \geq 42.0%; Ash \leq 10.0%; Moisture \leq 8.0%.

BREWER'S YEAST

Usage●●

Cat, Dog	Anticipated Performance	Dosage
	<ul style="list-style-type: none">- Provides high-quality protein, improves digestion.- Improves palatability and enhance flavor.	1-5%

Storage and Packaging

Store in a cool and dry place.

Packaging: 25KG paper bag with polyethylene liner.

Shelf life: 24 months from production date when stored in its original packaging.
