

Beverages

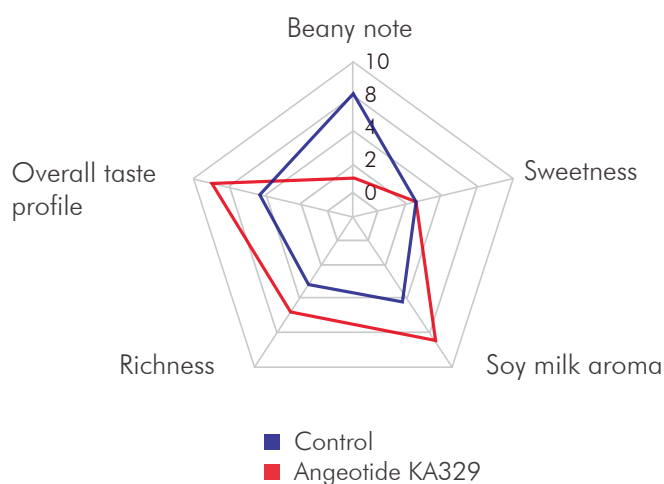

- Mask the beany notes given by soy milk.
- Impart rich aroma and full-bodied mouthfeel.
- 100% water-soluble
- Natural. Clean label. Vegan.

Recipe

Soy milk

Ingredients	Control (%)	With YE (%)
Water	81	81.97
Soybean	7	7
Milk powder	7	7
Sugar	5	5
Angeotide KA329	/	0.03

Compared to the control group, the beany notes given by soy milk have been effectively neutralized. The end product presents rich milky flavor and aroma, as well as a well-rounded mouthfulness.

Dosage:

0.01%-0.03%

Recommended YE:

[Angeotide] KA327, KA329

PREPARATION

- 1 Soak the soy beans in 4 cups of water for 8 hours.
- 2 Drain out the water after 8 hours.
- 3 Add the soy beans to a blender with 2 cups of water and blend to a smooth paste.
- 4 Mix all ingredients together. Fully stir.
